Christmas Spirit and Community Building in River Park

Celebrate the holiday season with the Friends of River Park leadership team on **Saturday, Nov 24 from 9:30 to 11:30am**. We'll decorate the bulletin board and four trees near the fountain. **And this year Mrs Claus will join us at 10:30!**

You and your dog can enjoy some light refreshments (while quantities last) and mingle with park users. This is also one of the best opportunities to introduce yourself and find out a few dog owners' names.

If you plan to bring decorations and/or help decorate, keep in mind we always follow simple rules to ensure the safety of dogs, children, trees and the park:

1. Decorations must be non-breakable
2. No tinsel or bits that can end up inside dog's tummies or spread throughout the park
3. Items must be hung out of dogs' reach

Please note we already have a fair amount of decorations but donations of non-breakable items are always welcome — all will be saved for future park use. Please note we can't guarantee security of donated items.

Although we ensure there are no glass ornaments, breakage occasionally occurs. If you see something broken in the weeks to come, please pick it up.

The area will remain decorated until one or two months after Christmas. We'll watch for mild weather then send out a call for help to do a group take-down effort.

This is one of our favourite events that brings the community together. Hope you can join us to create warm festive spirit at River Park!
